

Individual - Daily and Weekly Report

Name: Patcharee Catherina Jirakittiyakorn ID: 65360501811
 Group: Group 4 Game: The Broken Grimm
 Position: Support Programmer

Week: 5 Date: October 7, 2023 – October 14, 2023

Plan for Next Week

Summarize what you plan for the next week here

Fix communication actually plan out what to do step by step and actually some game engine parts

Weekly report and daily report can be brief. Make sure to work at least 2 days for your project per week

Daily Reports

Day	Tasks
Saturday	Team meeting planning on what to do next.
Sunday	Holiday – fixing some bugs
Monday	Doing programming homework
Tuesday	Holiday and study
Wednesday	Holiday and study
Thursday	Doing game engine research and trying some of the code out. Testing outside of github
Friday	Talking with my programming partner said not in need of use yet got focus he said check the note he left in the chat and find out the code is require and very much confused.

Additional Comments or Feedback

Add any comments or feedback that might be useful.

E.g. Concerns, technical issues, design issues, issues with group members, etc.

Have problem communicate with my tech partner he would make a note in the chat and I would forget about it or its very unclear.
